

Dear Perspectives Applicant:

Thank you for considering the Perspectives Supportive Housing Program. It is a place where you can live and have opportunities to grow.

The eligibility requirements for becoming a resident at Perspectives are the following:

1. You must be homeless (As defined by the U.S. Department of Housing and Urban Development.)
2. You must be chemically dependent (See the *Disability /Handicap Verification Form*)
3. You must have completed treatment successfully and this must be verified.
4. You must have at least ninety (90) days sobriety and this must be verified.

You need to complete the entire application. **Partial or incomplete applications will be returned and/or denied.**

We are committed to your family's recovery and we look forward to receiving your application. Please follow up after your application is sent. Be sure to keep us updated on your current contact information.

Sincerely,

Danyika Howell
