

Dear Perspectives Applicant:

Thank you for considering the Perspectives Supportive Housing Program. It is a place where you can live and have opportunities to grow.

The eligibility requirements for becoming a resident at Perspectives are the following:

1. You must be homeless (As defined by the U.S. Department of Housing and Urban Development. Please ask Staff to help you complete the form).
2. You must be chemically dependent (See the *Disability /Handicap Verification Form*. Please ask Staff to complete the form).
3. You must have completed treatment successfully and this must be verified.
4. You must have at least ninety (90) days sobriety and this must be verified.

You need to complete the entire application and fax it to me. When I receive your application, I will put you on the waiting list for our housing program. Please call me if you have any questions.

We are committed to you and to your children's well being. We look forward to receiving your application. Please follow up after you send your application to me, check on your status on the waiting list at least once a month and keep us updated in regards to your current telephone number.

Sincerely,

Danyika Howell
