

Important Information For All Applicants!

Dear Applicant to Perspectives:

Please be certain to copy and give the attached questionnaire to all of the following persons who have worked with you – both present and recent past:

Child Protection Worker
Social Worker
Treatment Counselor
Parole/Probation Officer
After Care Counselor

It is important that they complete the information requested so that your application for housing can be considered.

Be sure you complete the page asking for your release of information giving names and telephone numbers of child protection/probation officer/social worker/treatment personnel, etc.

And, finally, **remember** that **you are not eligible to be interviewed by Perspectives** if you are staying or living with friends or family members. This is a ruling by which we must abide as it is required by HUD (Housing and urban Development).

After you submit your application, follow up with a phone call. Check on your status on the waiting list one time a month and keep me updated with your phone number. If there is no contact from you for more than 30 days, then your application will be removed from the waiting list.
